22.003 Minutes of the Parish Council Meetings held on 13th December 2021:

22.005 Planning:

i. **Update on planning applications – Cllr Cass updated as follows:**

- 20/03339/FUL 30 houses behind The Globe - appeal lodged and is valid but still no 'start' letter from PINS
- 21/01922/FUL - There is a new expiry date for this application now 27 Jan 2022
- 21/01724/FUL - Highways required further information about access and parking
- 21/02243/OUT - Still no decision but as the appeal for the previous application on this site was dismissed - expected to be withdrawn
- 21/03369/FUL Determination around 13/1/22. PC comments submitted and there are several objections from residents with an objection from CAMRA.

Cllr Cass suggested that currently there were no planning applications requiring comment and this was agreed.

MOTION: To agree the parish council's response to any new applications - Motion not required.

22.006 Finance:

- i. **Clerk's report, reconciliations and financial situation report to 31/12/21:** Income for the year to date is at £174,357 (133% of budget) and expenditure at £300,845 (241% of budget). The latter is inflated by the £140,000, paid out for the MUGA but yet to be received back in S106. On this matter and given there is a 3rd invoice now for £56,097, MKC's S106 officer has been advised that this is completely untenable, and this invoice cannot be paid until payment is in from MKC. They have advised payment should be processed on 11/1/22 and should be 3 invoices added together @ £196,097. The clerk advised waiting until this is in the account before settling Play Innovation's invoice. The

allotment S106 had been received in full before Christmas. The clerk had circulated the accounts, plus quarter 3 balance sheet and there were no questions. Re. Earmarked reserves - she advised these now at £254,956 and had circulated an updated earmarking proposal.

- ii. **Budget 2022-23:** The clerk had circulated the proposed budget (appended) and advised as follows: Budgets had been increased in line with recent inflation figures, also taking into account updates on projected income and agreed projects for the year. This has given a total budget of **£126,402**, less projected income of **£9,124** – making a suggested precept demand of **£117,278**. This represents a decrease on the last 2 years, but the clerk advised that due to the high level of reserves, a higher precept demand would need to be justified. This was discussed and the clerk was asked to include a figure of £5000 for Planning/Neighbourhood Plan, predominantly for professional fees associated with the required NHP revision. This produced the following figures:
Projected expenditure **£131,402** less projected income @ **£9,124**, making a precept figure of **£122,278** and this was agreed.

MOTION: to agree the budget 2022-23 @ £131,402 PROPOSED by Cllr Cass **SECONDED** by Cllr Price and **AGREED**

- iii. **Precept:**

MOTION: To agree the precept demand @ £122,278 PROPOSED by Cllr Courtman **SECONDED** by Cllr Cass and **AGREED**

- iv. **Approval of Payments:** The list as follows had been circulated and it was agreed that Play Innovation's invoice must be paid as soon as the MKC S106 money was received. This was only possible because the clerk had made an arrangement with this supplier:
