**This Month's Crime Reduction Advice is – NEIGHBOURHOOD WATCH**

If you follow TVP on Facebook, you would have a number of posts about NHW and TVP on tour during National Volunteers Week 2-9<sup>th</sup> June. It would have been nice to visit everyone area but it was not possible, but we signed up over 200 members to NHW and Thames Valley Alerts.

Please see copy of flyer we used on the day to help promote NHW.

## BETTER PLACE TO LIVE

A 'better place to live' is, of course, what we would all like to achieve - whether it be making new friendships, looking after our environment, supporting our neighbours, reducing isolation and loneliness, or working together to reduce the fear of crime and opportunities for crime.

### JOIN NEIGHBOURHOOD WATCH

**1**

To join, scan the QR code above or go to [ourwatch.org.uk](http://ourwatch.org.uk)

You will get a confirmation code by email for added security. Enter this code when prompted and complete the registration to set up your account. In doing so, you can receive Thames Valley Police Alerts emailed directly to you to stay alert about crime, incidents and missing people etc.

**2**

Once registered, join your local Scheme - or start one if there's not one in your road already.

The website shows Suggested Schemes; one at the top of the list being the nearest. 'Join' that scheme. If that scheme is not close enough to you 'Apply To Create A New Scheme'.
