

Ref – Section 50 on behalf of Hayfield Homes

18<sup>th</sup> February 2021

**To whom it may concern,**

This is a notice to advise that MIDA Civil Engineering will be carrying out vital drainage connections on Castlethorpe road on behalf of Hayfield Homes. The works will involve breaking out the existing road surface and reinstating following on from the installation of the drainage.

We will commence the works at 8.00am and will finish at approximately at 16.30pm for two weeks starting on Monday 22<sup>nd</sup> February until 5<sup>th</sup> March. There will be a single lane closure in place which a traffic management plan has been attached on the following pages.

To ensure works is completed safely and as quickly as possible, we politely ask you to refrain from parking any vehicles along Castlethorpe road whilst the traffic management is in place. Please be aware of any raised ironworks in the road, delivery lorries and heavy plant movement within the area for the duration of these works. Our operatives will be in attendance to minimise disruption & assist in the case of any emergency/need to gain access to your property with a vehicle.

We would like to take this opportunity to apologise for any inconvenience this will cause and we assure you of our best intentions at all times. If you have any queries or require further information please do not hesitate to contact our office on the below number.

**Yours Faithfully,**
