As Hanslope still has a bus service, is DRT (the shuttle bus) available to our residents?

Adele Wearing (MK Council Transport) confirms:

The whole of Milton Keynes borough, including Hanslope is included in the scheme. Offer of a demand responsive trip or a bus route will depend on the exact journey and the availability of a fixed bus route to provide it. If the journey requested cannot be fulfilled by public bus at that time then an MK Connect trip will be offered. This can vary even on a bus route depending on when the bus is due. If people have mobility issues meaning they can't access nearby bus routes they are being directed to, they can give us a call on 01908 252526 and we add a note to their account so they get offered the appropriate rides.

The new service is even available on Sundays:

Monday-Saturday 6am-11pm, Sunday 9am-6pm, across the entire borough.

and costs:

£3.50 during peak hours (7am-9am, 4.30pm-6.30pm), £2.50 at all other times.

£1 for All in 1 MK cardholders.

Free for Older Person's and Disabled Person's bus pass holders after 9.30am on weekdays and free all day on weekends.

The service can be booked on the phone or through an app:
