**21.092 Apologies**

Apologies were received and accepted from Cllrs Proctor and Gregory

**21.093 Declarations of Interest:** For councillors to declare any pecuniary interest in items on the agenda

No Declarations

**21.094 MUGA:** Proposal and quote(s) for bore hole and other investigations, to address the planning conditions in respect of planning approval for the new MUGA.

3 Quotes had been received and circulated for the infiltration investigations. One was not considered, as it appeared to not be comprehensive enough. Of the remaining 2, both were discussed @ £8,700 and £6,302 respectively. However, it was felt that councillors did not have sufficient understanding of the required evidence, to assess which proposal to choose. It was agreed to authorise expenditure of up to £10,000 for this work, based on identified earmarked reserves of this amount, for this project. It was agreed to discuss the proposals with the LLFA officer to ascertain which one best addressed the issues and then make a decision based on this response. It was also agreed to request an extension from the case officer, to allow time for the data to be gathered and submitted. It was agreed Cllrs Cass and Price would liaise with the clerk on these actions.

**MOTION:** To approve a proposal and cost of the investigative work – COSTS AGREED UP TO £10,000 – PROPOSED by Cllr Palmer SECONDED by Cllr Price and AGREED.
